HYDRATION & NUTRITION

- Drink water to prepare for the weekend. You should be hydrating the day before the games, making sure to consume a minimum of 64oz of water the day before and more than that each day so that you are able to re-hydrate between games
- Avoid dairy, carbohydrates (bread, waffles, pancakes) and other foods that are hard to digest the before games. Eat fruit prior such as watermelon and bananas. These are both light on the digestive system and will also help you hydrate
- Bring at least 64oz of water with you to the games. The weather is going to be hot and you need to keep hydrated before, during and after the games
- Drink some Gatorade/Powerade after the session to help you replenish the electrolytes you lost through your sweat during the games

More nutrition information is listed at HTXSoccer.com/WBC

PARKING

Parking is always a challenge at tournaments. Please encourage your families to take the following steps to reduce parking headaches (and view site-specific information on the tournament website for more parking information):

- Give yourself plenty of extra time to arrive at the fields. If you're running late you will be tempted to stop in the middle of the roadway and drop kids off at the fields, which is both unsafe and slows down the progress of other drivers.
- Carpooling will reduce your stress as well.

10

TOURNAMENT ETIQUETTE

Please obey the rules and regulations associated with each of our tournament sites. The tournament committee reserves the right to remove spectators behaving inappropriately.

11

TOURNAMENT APPAREL

The tournament apparel is supplied by Fine Designs. Fine Designs will be set up at the Dave Finkel & Centennial
